

March 2021 Project Challenge

Goblet & Wax Resist /Layered Glazes

A successful project is one where you learn something new while you play!

These projects are meant for inspiration and growth. Whether you are new or seasoned, remember to take a step outside your comfort zone and enjoy the process and journey.

DIRECTIONS

1. Choose A Form Making Method & Watch the video links for both Form & Design Techniques.

Feel free to follow the videos exactly or use this as a springboard and GO ROGUE with your own inspired designs!

2. Make & Share photos and videos of YOUR learning journey, progress and results in the [Hobby Potter Life Facebook Group](#) or share through your Instagram with the hashtag **#hobbypotterproject** !
