FALL IS ALMOST HERE!

This month’s project comes to us as a suggestion from Hobby Potter Life member Kittie B. B. Whether you throw on the pottery wheel or handbuild, Jamie Meador demonstrates how to make amazing pumpkins using both techniques Thanks so much Kittie for the exciting inspiration!

Notes From Tammy Jo: If you have a project idea or challenge for the group, please send your idea **along with accompanying teaching video link or pdf directions to:** Tammyhobbypotter@gmail.com !
